2016 State Fair Requirements

1. To be eligible for nomination as a delegate, projects must have an "A" rating.
2. County 4-H members are allowed one State Fair exhibit due to the limited entries allowed per county. All 4-H members nominated as a delegate in more than one project will select one project to exhibit at the State Fair.
3. Exhibitors **MUST** attend a State Fair Q & A Session at 4:30 p.m. on Friday, August 5 or at 5:30 p.m. on Saturday, August 6 or at 10:30 a.m. on Sunday, August 7 (at the McLean County Fair in Cloverleaf Hall), to be aware of eligibility requirements and to register themselves and their exhibit for the 2016 Illinois State Fair.
4. All projects that are selected at the county level must be the one exhibited at the State Fair, adjusted for State Fair requirements. Modifications can be made to the original county exhibit to 1) meet State Fair requirements, and 2) to incorporate suggested improvements made by a local judge.
5. All 4-H members selected for State Fair exhibition will **participate in conference judging** and/or action-oriented presentations. **The exhibitor** will be responsible to transport their own exhibit to and from the Illinois State Fair on the appropriate judging day. **McLean County's projects will be judged at the State Fair on Sunday, August 14.**
6. If a 4-H member selected as a State Fair delegate knows that they are not able to participate in the State Fair, it is important to contact the Extension staff at the 4-H Fair office **as soon as possible** so alternates can be contacted.
7. Public Presentations and Fashion Revue are competitive events. Top individuals will receive special recognition that will be announced at the end of the day.
8. State Fair Guidelines may differ from county guidelines. Please refer to State Fair Rules to check project eligibility.
9. State Fair eligible projects are noted by an asterisk after the class name.
