2814. Wheat, sheaf

2815. **Crops Innovation Class***: Open to youth who were at least 13 years of age on September 1, 2015 and are enrolled in Crops. Demonstrate the skills and knowledge you have gained through the Crops project. This could be related to, but not limited to crop production, crop utilization or topics of interest to the member related to agronomy. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

Crops Awareness (4H20/10)

Exhibit to be an educational exhibit consisting of a poster, display, notebook, or other material. See rule 6, page 11 for display and poster size restrictions. Topics may be from the following: consumer/industrial uses of crops, agronomic display: botany, fertility, etc., integrated pest management: weeds/insect/diseases, "Dollars & Cents" of crop production, commodity marketing/summary of accomplishment, etc.

Failure to meet requirements will result in lowering of placing by one grade.

Classes 2831-2835: list on a card no larger than 4"x 6", plant names, rules of care, when and how started for each plant. Plants entered need to be true houseplants. Outdoor annuals, vegetables and herbs are not considered true houseplants.

2831. Exhibit a plant that you propagated from cuttings, layering or division or started from seed **during the current 4-H year**. Create a photo board showing the progression of growth. Transplanting is not considered a form of propagation*.
2832. Exhibit one plant started from cuttings, layering or division or started from seed **prior to current 4-H year** which is cared for by the exhibitor and in a pot 10" or less in diameter. Transplanting is not considered a form of propagation*.
2833. Exhibit a terrarium or dish garden suitable for display on a table, (with open or closed top). Plants must be started by exhibitor from cuttings or seeds or as purchased plugs. To be state fair eligible it must have been cared for by the exhibitor for at least 5 months*.
2834. Exhibit a fairy garden suitable for display on a table, (with open or closed top). Plants may be started by exhibitor from cuttings or seeds or as purchased plugs. Elements of the fairy garden must come from nature and be used to make a miniature world. Additional plastic and metal figurines are acceptable. To be state fair eligible it must have been cared for by the exhibitor for at least 5 months*.
2835. Exhibit one plant purchased by the exhibitor **by May 1, 2016**. Attach receipt to the notecard. Transplant into a pot 10" or less in diameter.

* Indicates projects that may be State Fair eligible.

Vegetable Basket (4H20/10)

Bushel basket exhibit of fresh fruits and/or vegetables should be set up by 4-H member and consist of not less than six different fruits or vegetables and not more than twelve. Decorations such as herbs or asparagus foliage will not be counted, but should be in prime condition. Display no larger than 24" x 32". Varieties count as one fruit or vegetable (example lima, green, and yellow beans are one vegetable entry). List varieties used on a card no larger than 4" x 6".

First year exhibitors will be conference judged, scheduled at check in.

NOTE: In order to qualify for state fair, there may not be more than two (2) different varieties of any vegetable. For example, red and white potatoes would be classified as two different varieties. Also, in order to qualify for state fair, baskets need to include the number and type of vegetables specified in "Tips for Exhibiting Vegetables", available at Extension office, or at <http://web.extension.illinois.edu/lmw/downloads/5924.pdf> or at <http://web.extension.uiuc.edu/vegguide/>

2874. **Vegetable Basket, Ages 8-10***

2875. **Vegetable Basket, Ages 11-13***

2876. **Vegetable Basket, Ages 14+***
